About Us

Introduction: AOG/BTG welcomes you to our ECCDE centre. We look forward to having a pleasant association with you. This centre does not discriminate. It is a center for all children between 1 and 6 years. The ECCDE centre expects to work together with you with respect and dignity. Therefore, to work pleasantly and peacefully, our center has prepared a handbook to assist you on its expectations. If you have questions and concerns you are requested to consult the center. Mission Statement: To provide relevant, quality and affordable early childhood education in order to develop the child in totality. Vision: Laying a solid foundation for later life and learning with the ultimate goal of developing the children physically, intellectually, socially, emotionally and spiritually.

Center's main goals:

- Assemblies of God - Back to God ECCDE centre is concerned about the wellbeing and holistic development of a child.
- The program is built around the child and not vice versa, children learn through play. • In this center we acknowledge and provide for the development of each domain (physical, social emotional, intellectual, spiritual and cultural heritage)
- The teaching approach is that of developing themes in the following learning areas: art, book & literacy, block, discovery, fantasy, educational and outdoor area
